

Thailand

Martha (17 yo.) and I are well settled in Thailand. I have been leading the ministry in Thailand. We have seen growth in Bangkok, Chiang Mai and in Korat. As well I have been to India, mentoring staff in Bangalore, Calcutta, and in the Himalayans working with Tibetan refugees. We have also been to Malaysia and Singapore training the Asian staff there to reach out to the Buddhists in their midst.

My responsibilities, and your investments, include mentoring and encouraging staff in many countries throughout Asia. This year I will engage in Laos, Myanmar, Indonesians, Bangladesh, Sri Lanka, Korea, Japan and Nepal.

Your investments will be in Thailand as well as the greater Asian theater. We deeply appreciate your partnership in this endeavor.
